

The Teachers' Lounge Daily Summer Activities Fund Raiser

Provide a great service to your families by offering an easy and inexpensive way to pick up a great book to keep learning alive all summer and raise money for your school organization.

The Teachers' Lounge, St. Louis' finest parent/teacher store, is offering a unique fund-raising opportunity for local schools at the end of the school year.

Our store will be giving your students in Grades K-5 the opportunity to order *The Daily Summer Activities Workbook* from Evan-Moor. These terrific workbooks contain ten weeks of research-based, age-appropriate, teacher-developed practice activities in a mix of subject areas to help your students make a successful transition from one grade level to the next. These workbooks can help parents keep learning alive this summer. Research has shown that short sessions of daily practice help to maintain, and even increase, what has been learned during the school year.

The cost for each workbook is **\$12.99 plus tax**. Your school will earn **\$3.00** for every book that is ordered through this program. Plus, every parent that places an order will receive a coupon for **\$3.00** off any purchase at The Teachers' Lounge this summer!

Call us to sign up and we will provide your school with a customized parent letter/order form that you can copy and distribute to your students. Parents simply fill out the form and either staple a check to the order form or fill in their credit card information. On May 1st, we will pick up all of the order forms that have been turned in to your school and will process all orders and payments.

All ordered books will be hand delivered to your school, divided by class, approximately two weeks later. Your check from The Teachers' Lounge in the amount of your school's profits will also be delivered at that time.

Please call the store at 314-894-7000 if you would like to participate or if you have any questions. We look forward to helping your students and your school as summer approaches.
